## Perfect Houseguest

2015, dirs. Max Porter and Ru Kuwahata, USA (1'35")

### Synopsis

A house is visited by a clean, organised, well-mannered guest.

This film can be viewed again on Vimeo at: <https://vimeo.com/123696064>

### Activities

#### Before visiting the cinema

Before watching the film let the children hear the music and sounds from the film. Keep the computer screen and interactive whiteboard turned off. By letting the children only hear the film they can make predictions about what they think is happening and how the music is helping to depict the actions of the mouse.
